Protech Introduces New Product Line

Protech Establishment (مؤسسة التقنية المتقدمة) officially introduces a new product line to the Jordanian market. The new product line includes toilet/shower partitions, lockers and special furniture all made from of 13 mm Trespa panels.

Protech's decision to make such products part of its product offering came after a popular demand from its existing customers in order to take advantage of the benefits provided by Trespa panels. Therefore, the Company hired Mr. Hani Fuad to be the product specialist for the new division. Protech promises to continue providing the best architectural solutions to its clients at competitive prices. Protech is the main supplier for such items for the Royal Automotive Club of Jordan and C-Town. Recently, the Company was awarded the contracts for Popeyes and Pizza Hut newest restaurants in Amman as well as 8 schools in Qatar.

Protech Establishment, founded in 1993, is a leading company specialized in the design, manufacturing, and installation of high quality components of furniture in Jordan and the Middle East. The dedication to quality and customer satisfaction earned **Protech** the prestigious "**King Abdullah II Award for Excellence**" in the year 2000. This Award is designed to recognize the highest-level of quality achieved by a Jordanian firm.

Protech is also **ISO 9001:2000** certified for meeting the requirements for an ideal manufacturing company.
