Protech Awarded Alkindi Pharma Laboratory Furniture

Protech Establishment was awarded the laboratory furniture and fume cupboards' work for the new Alkindi Pharma plant in Amman, Jordan. The company's dedication to quality and value influenced the decision after reviewing several other options.

The plant is expected to start operations at the end of this spring producing

Protech has just completed projects at the An Najah National University in Nablus, Al Hikma Pharmaceuticals and Drug Quality Control laboratories in Jordan. It was also awarded key projects such as the Pepsi plant, United Pharmaceuticals and the National Orthodox School in Jordan, Ministry of Education Schools in Qatar and the National Company for Pharmaceutical Industry in Syria.

Protech Establishment, founded in 1993, is a leading company specialized in the design, manufacturing, and installation of high quality laboratory furniture in Jordan and the Middle East. The dedication to quality and customer satisfaction earned **Protech** the prestigious "**King Abdullah II Award for Excellence**" in the year 2000. This Award is designed to recognize the highest-level of quality achieved by a Jordanian firm. **Protech** is also **ISO 9001:2000** certified for meeting the requirements for an ideal manufacturing company.
